RE: Temecula Valley Hospital

This letter is in accordance with AB1627 and AB1045, and specifically the Payers' Bill of Rights, which requires each licensed hospital to submit pricing information to HCAI regarding an estimate of the percentage of change in the hospital's gross revenue due to price changes since last year's submitted chargemaster.

An across the board increase of 10% was effective on January 1, 2023, excluding send-out Lab Charges.

Please feel free to contact me if you have any questions regarding data submitted on behalf of Temecula Valley Hospital.

Respectfully,
