RE: Corona Regional Medical Center

Dear Mr. Dhami,

This letter is sent in accordance with AB 1627 and AB1045, and specifically the Payers' Bill of Rights, which requires each license hospital to submit pricing information to OSHPD regarding an estimate of the percentage of change in the hospital's gross revenue due to price changes since last year's submitted Chargemaster.

An average increase of 10% was effective on January 1, 2023, excluding outside laboratory charges.

Please feel free to contact me if you have any questions regarding data submitted on behalf of Corona Regional Medical Center.

Kind regards,
